SPEAKING TOPICS

Marketing That Makes Sense

In a world of daunting marketing strategies, consistency will win the race every time. Learn how to get the attention you want to build the relationships you need to turn prospects into clients and customers into raving fans.

Pivoting On Purpose

Even the most seasoned business leaders sometimes cringe at the word change. When you pivot on purpose you strategically pursue your goals, instead of being forced to make rapid reactions to unforeseen changes.

ACCOLADES FOR APRIL

I'm so glad I attended this workshop with April. I left with principles and applications that I've applied to my everyday life!

This workshop was refreshing and different from the usual workshop. It was engaging and fun, yet challenging.

ABOUT APRIL

My passion is to help entrepreneurs with big dreams to cultivate their purpose so they can make an exceptional impact on the greatest amount of people. I'm dedicated to inspiring them to break through their personal and professional barriers in order to uncover their potential with clarity and direction.
